NEW YORK

Dear Annon

If my son was reported missing -  
as he may be any day - no letter  
would do me any good. Neverthe-  
less I have the urge to tell  
you that I with thousands of  
others are pulling for Annon Jr.  
All the Annon Carters come out  
on top. And so, my friend,  
chin up, stiff upper lip, honor  
of the family, and may you have  
better news - soon.

Sincerely yours,  
Alice J. Pierce
