

March 12, 1943.

Dear Mr. Carter:

I read in the Omaha "Herald Herald" that your son is reported missing in action. I know there are no words which anyone can write which will ease your anxiety and heartache but I did want you to know our hopes and prayers are with you for your son's safe return.

While I've met you, I doubt that you would remember but I think you knew my father, Jim Minnick, and sister, Peggy. I know they join me in the wish that you will soon have word from Amos, Jr., that he is well.

Sincerely,

Muriel Minnick Schmidt
