

RAYMOND S. PRUITT  
420 LEXINGTON AVENUE  
NEW YORK

March 12, 1943

Dear Amon:

I learned today at the American Airlines, Inc. directors' meeting that Amon, Jr. is missing in action in North Africa.

I know how grieved you are, but understand from Silliman that there is still hope that he may return.

You have the love and the sympathy of countless friends, among whom I am proud to be numbered. I hope that their wishes and prayers may help you now.

Most sincerely yours,

A handwritten signature in blue ink, appearing to read "Ray", written in a cursive style.
