March 12

Dear Amon:

I was terribly shocked this morning to read that Amon Jr. was missing in action. And I know how you must feel.

Don't keep up hope Amon.

Missing in action, in most cases, means he is alive and if he is in the hands of the Axis and knowing him as I do and as your own, he'll fare all right and be back when this is over. I read where some 2000 of our soldiers were caught in that first action and taken prisoner and let us hope and pray he is one of the men. And being an officer, and a brave one, they must respect him.
and treat him as well as prisoners of war as we treat our prisoners. The Nazis know this.

I have his picture Amon, and I'm going to say a prayer for him often --- that he is safe and alive and that the war is over soon.

Sincerely

Aly
