

OFFICE MEMORANDUM

Date 3-13-43

Mr. Katrine

Department _____

I think I passed on as received the numerous calls I had Thursday but for fear I overlooked some I'm passing on again those that I can remember. Ellison Harding and Sidney Samuels called in person; Bill Pier, Marshall Fuller, Ed Parker by telephone; Mayo Bowen, Bob Martin and Ed Winton talked to me about him and Mr. Carter when I saw them later in the day. In fact, many did, also inquiring, expressing sympathy and saying they wished to call at the appropriate time etc. JMN
