Dear Mr Carter..

*I have just learned that your son
has been reported missing in action. and I wish
to let you know how very much I regret to hear
of such news. and I hope and pray that he is
safe and that you will be able to hear of him.
I have a son whom is a lieutenant in the navy
about the age of your son perhaps a little
older as I remember amon jr and I can fully
relieve your anxiety for him*

*Sincerely yours
C. Meadows*
