Hon. Amon Carter, Sr.,
Forth Worth, Texas,

Dear Mr. Carter:-

Mr. Carroll and I just learned last night that your son, Amon, is reported as missing in action.

We were very sorry to hear this and wish to extend to you our sincere sympathy and hope that you will learn some good news in the near future about him.

While he was located at Ft. Know near here he and our boy and girl were friends and it was our pleasure to have him in our home several times. We were very fond of him and enjoyed having him with us very much.

We will appreciate if you advise us when you get any definite news about him and hope that it will be good.

Sincerely,

Gene C. Carroll.
