Dear Mr. Caster -

Your many friends are deeply concerned over the plight of Amon, Jr. To you, I am quite certain, it is a blow hard to take. The affection between the two of you has been an inspiration to those who knew of it.

Let me just say, please, that I join you in a fervent prayer to the almighty that Amon may be safe and unharmed. As the long days come and go I shall be thinking of you. Out of all this hell of war may the day of reunion soon come.

Sincerely yours,

W. Douglas Hudgins
