*Mr. Anson Carter,
Star-Telegram,
Fort Worth, Texas.*

Dear Mr. Carter:

In this period of great suspense in which you are living, I desire to extend to you the deep sympathy of myself and the members of the organization which I represent, and to express the earnest hope that you will receive good news of Anson Jr. in the very near future.

While these written words have a somewhat empty sound, the feeling which inspires them comes from the heart.

Sincerely yours,

Dan McCarty
