

New Orleans - Mar 14th 43
1021 Wilson Drive

Dear Amm:

Jo as I was completely shocked when
we read in the New Orleans paper that Amm J
had been captured in North Africa.

We are hoping and praying that soon
some exchange of prisoners will be made
and that he will be back with us again.

We know that you are greatly perturbed
and we sympathize with you deeply. We will
be home in about two weeks and sincerely
hope that by then we will hear good
news about him -

Sincerely yours
Jo as Paul
