Mr. Carter:

Mrs. Talbot called to express her sympathy and to make inquiry of any news you might have about Amon. She also told me that at the Thursday night service at First Presbyterian Church, Dr. Thompson asked the congregation to offer a silent prayer for Amon Junior and you and his loved ones. She said that Mr. Adams, a member of the Board who accepted Amon into the Church, gave a prayer and was so overcome he broke down and could not finish. She wanted you to know how deeply concerned the whole Church membership is over this report and that they are praying for his safety.
