Dear Amon:

I have just run across a clipping with an AP dispatch in which it is announced that Amon, Jr. is missing in North Africa. Naturally you must feel the deepest anxiety, but so many of the lads who are missing turn up again that I am hoping most devoutly that will be the case with your boy.

I just wanted to let you know that we are thinking about you, and, as far as it is possible to do so, are sharing your natural eagerness to get some further and better news.

With kindest regards,

Sincerely yours,

Beio
