

March 15  
113 Carr St.  
Providence, R.I.

Dear Mr. Carter,

I have just heard about  
Amon Jr. and can't help but write  
a note.

Knowing the anxiety you  
must feel, I am sure the least  
said is the easiest, so please  
know I am thinking of you  
and praying that little Amon  
is alright.

Devotedly,  
Dorelle
