Dear Amon:

Just a note to let you know that I saw the item in the New York Times mentioning that Amon, Jr. was missing in the North Africa action area. I know this is a tremendous strain on you but from reports which have come to us a great many prisoners were taken by the Germans and Italians during that particular period. We all hope most earnestly that is the case with Amon rather than let any other tragic thought go through our heads.

It must be a considerable satisfaction to you, however, to have spent the time with him in England.

We shall all await further news with heartfelt interest.

Sincerely,

Percy

Mr. Amon G. Carter,
