FRED F. FLORENCE
PRESIDENT

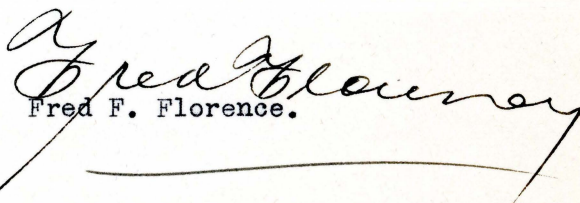

March 16, 1943.

Dear Amon,

It was with a great deal of sorrow that I learned of the report that your dear son was missing in action, and I want you to know that I share with you the fervent hope and prayer that his life will be spared and that, while he might presently be in the hands of our enemies as a prisoner of war, he will soon be returned to us in good health and good spirits.

I shall await further word concerning him with great interest, and I am sure that you can find some comfort in the fact that so many of your friends are praying for his safety.

Very sincerely yours,

Fred F. Florence.
