Dear Mr. Carter:-

Just a few lines to let you know how deeply I have felt for you since hearing the news that Amon Jr. was missing in action. Having a son of my own makes me realize fully what this must

mean to you, the uncertainty of not knowing just what has happened to him I know seems more than you can bear but I feel sure, and know that you will soon have definite news, that he is alive and well, and that is the hope to cling to.

Keeping real busy I have found is the only way to lessen our sorrows and I know you will do that.

I have never forgotten what a wonderful friend you were to me when I needed just that and I wish there was something I could say or do for you now,

if there is, please let me
know.

Sincerely
Edith Manning
