

Tuesday.

Dear Mr Carter -

Silliman told us
about Amos Jr., wards are
useless but I just want you
to know all my heart and
hopes are with you.

We talk about
Amos often and little Amos
& Silliman Jr. and I refuse to
believe anything could happen
to such a fine, sweet, handsome
boy. I will never forget
our dinner in New York. you
were so nice to include
Silliman and I.

Mr. Carter, I have
always felt Anson Jr would
be like you, and if The
World is robbed of him - to
me it couldn't have a greater
loss - Please come to see
us -

Love, hopes and prayers
Lucile Evans
