Mr. Amon G. Carter,
The Star-Telegram,
Fort Worth, Texas.

Dear Amon:

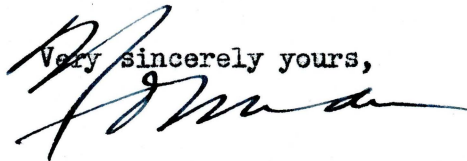

Last week Jimmie Rogers called me on the telephone and told me of the wire his Mother had received from you about Amon, Junior. The following day the wire services carried a story to the effect that Amon, Junior had been missing since February 15th.

I know how worried you must be and the tortures of hell you must be going through. My heart goes out to you.

If he is missing as reported, I have a hunch he is going to show up in a prison camp before long and that he will be safely returned to you.

With every good wish, I am

Very sincerely yours,

NC*GB
