Dear Mr. Carter:

Permit me to introduce myself to you by saying that I am a friend of Amon's, having known him while he was stationed here at Fort Knox, Kentucky. We have been corresponding ever since he left here last spring.

I sincerely hope that by this time you have received some favorable news as to his status because I know that just being sure that he is well would mean a lot to you as it also would to me.

I have been writing to him quite steadily and none of my letters have been returned. The real purpose of this letter is to ask if you believe he will receive my letters should I continue writing. Letters would surely mean a great deal to him right now and it is the least we can do. I thought perhaps in case you might have any information as to an address that you would be so kind as to take the time to forward it to me.

Sincerely,

*Margaret Bartel*
