Dear Amon:-

Reading in the papers I saw where little Amon, (as I always think of him) was captured by the Germans. It made my heart ache for you all. Only wish there was some thing I could say to express my love and sympathy for each one of you. I know it has been a terrible blow to all.

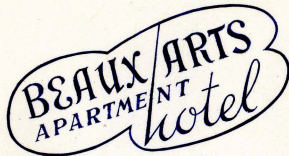

Bless his heart I hope he has the faith that God is all powerful and watching over him always.

Just read the 11<sup>th</sup> chapter of Hebrews it will be a consolation to you to know that anything we ask in his name we shall receive.

I have had so many of my prayers answered and reading that chapter has helped me so much.

God bless all of you and may you hear some good news soon.

Burton and I are praying for Amon, day and night. And so brave as he is, I feel sure God will

protect him from all harm.  
And he will return home safe  
to us all.

Would love to know if you have  
heard from him, and he is alright.

With many thanks again for  
all your wonderful kindnesses to  
us, and with love for all.

Always

Julia Trapp.

Had dinner with Mr & Mrs Clements  
last night, and they said you must  
have heard long ago, before it was  
published. They were so sorry to  
hear it. We do pray that Amos can  
keep in touch with you all the  
time.
