MENARD, TEXAS

March 17, 1943-

Dear Mr. Carter,

Here, in Menard, we share the anxiety you feel, because Roscoe Heyman Jr., son of the Cashier of The Menard National Bank is missing with your son-

We fervently hope Texas' long time ambassador of good will and big friendship will not suffer the hardest loss that may be sustained by a man. You have done so much for Texas and Texans that I want you to be spared this grief-

Yours truly-

Russell Gallan
