

336 Center St
New Haven Conn
March 18, 1943

Dear Mr Carter:

I read with great sorrow
(in the N.Y. Times) notice that
Amon Jr. is reported missing.

Please accept this belated
message of sympathy. Those of
us on the "home front" keenly
feel the significance of the
great sacrifices that are made
for a free world by this noble
generation of young men.

My personal best regards and
sympathy
Granville T. Walker ^{Minister}
