Care N. B. Reynolds -

Dearest Amos,

Blue you and your dear ones! It is a real heart-break I feel for the pain you are suffering in this experience of darkness & fear.

I know that the good soldier in Amos Jr. is the same good soldier that is you - and every inch a soldier - in the midst of this fierce battle you are fighting.

The same qualities of Courage - of faith - of love which are sustaining him at this moment are sustaining you.

I feel confident that he is alive and that you will have some word from him before long. Why this confidence? Figuring it from a purely human standpoint the odds are overwhelmingly in favor of it - and beyond the human the reason for the hope that is in me I know God's love has never been withdrawn from him and that he cannot get out of the omnipresence. We are seeing every day evidences of God's power to save to the uttermost.

Will you join me in trusting God to reveal all Amos Jr. needs to know

And all that you need to know for his
Complete liberation.

It is not necessary for you to be torn with
doubt and fear. The intelligence the mind
that governs the universe tells you all things
and is at your command. It is at your
command because you are the full representa-
-tion of this mind. Put your faith and trust
in it and you will find that it will
do wonders for you.

This may sound incomprehensible to you, but
it's not - it's sound and absolutely scientific
because it's possible of proof.

"God's greatness flows around our incompleteness
Round our weaknesses - His rest"

Trust in the Lord with all thine heart and lean
not to thine own understanding.

In all thy ways acknowledge him and he shall
direct thy paths. Prov. 3:5-6.

When thou liest down thou shalt not be afraid;
yea, thou shalt lie down and thy sleep shall be
sweet. Prov. 3:24

Hope to see you around the first of April when
I return to Fort Cochrane and that you will
come in and have dinner with Mother & me
and play some gin-rummy.

Nathan & Jean want especially to be remembered to you
and send you their best wishes -

With love and very good wishes
Yours. Elsa.
