

PETROLEUM ADMINISTRATION FOR WAR

SUITE 855, SUBWAY TERMINAL BUILDING

417 SOUTH HILL STREET

LOS ANGELES, CALIFORNIA

March 18, 1943.

Personal

Mr. Amon Carter,
Fort Worth, Texas.

Dear Amon:

I was very distressed to hear of the death of your son. I did not know the young man but have heard many nice things said about him and am quite sure he would be a grand fellow if he were a chip off the old block.

Like a lot of us old fellows, they have pulled me off the shelf and put me to work and I am busy acting as Director in Charge of District 5.

I hope you are quite well and imagine, as usual, you are up to your neck in good works. I had dinner with Harry Sinclair the other evening and he looks very well.

I realize how much you keep moving around and no doubt one of these days will be flying into Los Angeles. If so, I wish you would please get in touch with me either at the above address or the California Club, as I would like very much to see you.

Kindest personal regards and best wishes.

Sincerely,

Robert L. Baughen
