

11 1/2 East 87 Street
New York
March 18/43

Dear Amos:

I was very sorry to hear your boy was taken prisoner but hope he will return safely to you. I met him when he was going to Cuba and will remember what a manly little chap he was.

I explained my situation to Ferris Campbell and he is holding my note open until March 30. Here is hoping you know I'm trying like hell.

Sincerely yours
Joe Hopkins
