

Dear Mr Carter:

Henry and I are thinking of you in these trying days of anxious waiting and our sincere sympathy goes out to you.

So often there has been the impulse to thank you for the fine service you have given this City -

Now during these days of conflict, we have further reason to acknowledge our debt to you - for you have given to our Country a Gallant Soldier - Your  
Own dear Son,

Amos Junior won a place  
in the hearts of all who  
loved him and today  
we are hoping and  
praying for his safe  
return -

With appreciation and  
sympathy. Love

Reenie Day Trigg,

3/19/43 -
