1527 COMMERCE BUILDING
HOUSTON, TEXAS

Saturday

My dear Aaron:

I have been hoping and praying -
and I really mean praying, that your
son will turn up etc. In the fog of
battle anything can, in fact every thing
does happen - I was reported killed
in action - So there always is hope,
I feel - You have many friends
who feel very deeply with you
in these sad days -

Good luck and high courage to

You sincerely

Ike
