JAMES A. FARLEY
CHAIRMAN OF THE BOARD

March 20, 1943.

Dear Amon:

I know that it isn't necessary for me to explain my delay in writing you; many things have happened since that Saturday night in Fort Worth, and we all fervently hope that the sorrow and worry you are now enduring will vanish when you really learn about Amon, Jr.

The purpose of this letter is simply to tell you, Amon, how much I appreciate your kindness to me when I was in Texas several weeks ago. I thoroughly enjoyed my evening with you, Webb Walker and the representative from Time Magazine.

If you are coming this way, please let me know so that I may see you.

On my way back I reported to Chip, and Ben Smith told me that he was expecting to see you on his return trip from Mexico.

I am receiving your editorials, and as usual, Amon, you cover the ground.

In closing let me say that we are all thinking of you, and we wish there were something we could do to make life sweeter for you than it is at the present time. If I can ever help, in any way, call upon me.

With warm regards in which Bess joins,

Sincerely yours,

Honorable Amon C. Carter,
The Star-Telegram,
Fort Worth, Texas.
