

A Message of Sympathy

Just this note to let you know
I am thinking of you at this time.
If there is any I think I can do,
would be very glad, But now I feel
so helpless.

Let me know if you hear any
news of importance, Am always
interested.

That you may have strength
to bear what-ever may come,
is my prayer.

Although there's little comfort
In the words that one can say,

Still, may it help --
just knowing

Others think of you today.
