Mr A G Carter

Dear Amos I am
writing I am writing in simply
with you in behalf of your son being
Missing oh Amos you dont know
how sorry I was to hear a Bout your
son being Missing But lets us
Trust God that he will do the right
thing for with out God we can not
do any thing I am Praying for him
all the time for you and your son
that god will take care of him for
you and send him home to you and
the 2 Girls some Sweet day, I know
you are Hart Broken over the sad news
Amos I know how to sympathize
with you for god Colled one of my
sons home 35 years a go and havnt
quit missing him yet But you do
have hopes that your son will be
Back some day with you I know
it is awful hard for you to think
of him being Captured by the
Enemies But Trust god he will

Take Care of him, Amen we cant
Understand all of these world troubles
But we will when we all get to
Heaven we will all Understand all
things then, Amen There isnt much
that I could say to you to console
you now for it will take time
for your sorrows to vanish I
know by Experience you and the
2 Girls surely do love my Simphy
from the depth of my heart I am
Surely glad you visited him
last fall I know he enjoyed having
you with him those few Months
I have been Praying for him every
since I heard that he had gone
over seas Oh Amen dont give up
hope and keep Praying for him
I know God will answer Prayers
if we will trust him in the right
way god tells us in the Bible to
Pray and to let him know our
Sorrows and he will heal our Broken
heart the ones that trusts him

and in the Bible ³ a gain he tells us
he will in no wise cast us out But
we will half to have faith in god
that he will help us for God has
helped Me in lots of things Amos
Faith is what we all need to trust
god he says what so every you ask for
and Believe we shall have ask in
the name of the son the father and
the holy Ghost you shall have so
if Amos Jr is captured by the
Enemy trust god and he will take
care of him Amos dont fail to
Pray and I am Praying for you
and Amos Jr god is all the true
friend we have our warly friends
may for sake us But god loves
for sakes any one that trust him,
I would like very much to come to
see you But I havnt any way to
Come only on the Post and it is
