Dear Amon-

I have been very distress and anxious over the report that Amon Jr. is "missing". This seems too cruel a thing to happen to you and all his friends.

One of our School nurses, Miss Erickson who loves Amon Jr. dearly recently showed me some pictures taken in Africa-- My! he is a wonderful looking man! You have much to be proud of.

As you probably know I am the Librarian at Arlington Heights Senior High School- and so many of Amon's former teachers have said such beautiful things about him that I am sure you will be happy for me to tell you some of them. Mrs. Wells speaks so highly of him. Mrs. Jennings the Cafeteria Head says that Amon is the "finest rich boy" she ever knew.- This is quite a tribute, I think. From the Principal on down, they all seem to think he was one of the finest boys who ever went to school here.

I am writing this note to you to try to give you courage- to tell you not to give up hope. So many of our boys have been reported missing and later they have turned up. My son, George was missing in December for a week in the Solomans- if I have an extra copy of his letter, Ill enclose

it, as I know you will be interested.

Hope to see you sometime soon-

Always sincerely
