HOTEL REFORMA

MEXICO, D. F.

My dear Simon I can not resist going  
 longer in expressing to you my heart felt  
 sympathy and love (regardless of any thing)  
 in the distressing news about our precious  
 boy being one of the missing and was too  
 shocked and really stumped to express any  
 thing, but Chris' second cable saying  
 what the assoc. press thought was done  
 more sure to know I feel sure that he is  
 alive and well and a prisoner of the  
 Germans and that God still has him by  
 the hand, a message from the Supreme Power  
 came to my distressed heart telling me that  
 all is well with our boy so on any of my  
 prayers are answered that the peril you will  
 not be beyond prayer. My prayers are for you &  
 Kenneth & little Ruth constantly & always for your  
 consolation & to give you genuine trust in God  
 and faith in prayer. Believe me truly as long as  
 I live - Boss.
