My dear Mr Carter:-

I have just learned of your recent trouble, and want you to know I'm thinking of and praying for both you and Amos Jr. I think Mr Carter I can sympathize with you as few others can.

I'm giving up my darling little boy (Pete Burnett) was the worst blow I've ever had, and I won't ever get over it. I've had to work hard all my life, and have little of this world's goods, - but I feel rich in knowing I raised such a fine honorable boy as Pete was. I knew Amos Jr personally, as he came to my house a few times with Pete and I admired his frank honest ways, and this world will be the loser if he isn't returned to his Co soon. You have done so much for others, and in such a gracious manner, I feel

our heavenly father will look  
after you and yours - and I feel  
that your dear boy will soon  
be reunited with you.

Believe me when I tell you I'm  
truly sorry for you and pray  
our father in heaven to bless you  
and give you strength in this  
sorrow - I'm in Calif for a while  
as my only daughter is here - But  
my heart is in Ft Worth and Texas  
and hope soon to be able to come  
home -

Sincerely your friend -
