ATTORNEY AT LAW
AUSTIN, TEXAS

March 23, 1943

Dear Amon:

An absence from Austin has delayed my writing this letter to you.

It was with the deepest regret that I read in the paper that your son was missing in action. I remember so well meeting him when he was a mere lad and I had breakfast at your home in Fort Worth nearly seventeen years ago. I trust that his life has been spared. And believe me when I say that I sympathize with you sincerely in your anxiety for his welfare. I earnestly hope for his safety.

Sincerely yours,

Mr. Amon G. Carter
