Fort Worth, Texas

Dear Amon;

I have just received copy of your paper of March 11, showing a picture of Amon, Jr., and an account of his being missing since February 14. I hope by this time you have heard from Amon and that he is all right. Gosh, that is bad news for those who think so much of him and I trust that he will turn up all right in the end. The Mrs. will be terribly disturbed at this news, and I want to thank you for sending a copy of the paper to me.

By the way, it is coming Derby time and we are looking for you up here at that time, although the papers say that there will be no transportation for those who want to come to the Derby; but no doubt as you would fly up it wouldn't make a great deal of difference. I hope you can come at any rate.

Should you hear anything from Amon I hope you will keep us advised, as we are both terribly interested in him.

With kindest regards, and hoping to see you soon,
I am

Yours very sincerely,

Biddy
