STEWART McDONALD
CHAIRMAN OF THE BOARD

March 26, 1943

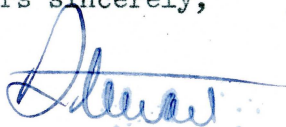

Dear Amon,

I was shocked to hear the other day that Amon, Jr. has been reported missing in action. I join with a host of your friends in hoping that he is now a prisoner in I trust hospitable hands and will eventually be returned to you safe and sound.

I wish there was something I could say which would assuage your anxiety and give you more peace of mind. It is unfortunate that you, who have been so generous and supplied so many people with evidences of hospitality and kindness, should be caused to suffer through this calamity.

You have at least the knowledge that all of your friends join with you in hoping for the best.

Yours sincerely,

Mr. Amon G. Carter
