

THE WHITE HOUSE
WASHINGTON

March 27, 1943.

Dear Amon:

Ross and I were just talking,
and we agree that you have got to keep
your chin up and think the boy is still
alive, which I truly believe he is.

Anyhow, it was good to see you
again, and God bless you.

Your friend,

EDWIN M. WATSON.

Amon G. Carter, Esq.,
Fort Worth,
Texas.
