Dear Mr. Carter: -

Words cannot express the  
heartfelt sympathy that I feel  
for you, with your only son  
Amon Jr. missing in action.

No greater burden can come to any  
man than the suspense you are  
now going thru. I hope and pray  
that Amon Jr. will come thru  
allright and that you will be  
with you again as soon  
as possible.

Sincerely  
Ernest Allen
