

FORT WORTH CLUB

FORT WORTH, TEXAS

Dear Anon - This little note to
be slipped under your door here at
the club - in the hope that you
may find it - is the only way
I have of telling you again
how I think of you every
minute - Certainly I would
not intrude upon your thoughts,
privacy or time - but please
know what an out pouring
of friendly sweet sympathy
you have from all your
friends and how deeply

hopeful everyone is that you
will have good news, and soon.
Certainly from me my dear
accept my loving thoughts
sent you constantly —

Saturday —
