RITA BLANCA RANCH

DALHART, TEXAS

Dear Katrine -

This is just to send my love and good wishes to you and express the hope that you will soon hear from Amos Jr. I feel that you will hear before long and I hope very soon.

Know you have been as always a tower of strength to Amos and he has needed it and all our support.

Sorry you couldn't get up here but hope you can come sometime later. Mat & Dean are looking forward to a visit from you and were delighted when I told them you might come. You would enjoy it I know -

I'm leaving for Fort Worth tomorrow night - Hope to see you soon -

Give my love to Amos and tell him I'm thinking of him and loving him.

My love to you and Carl -

Sincerely Yours

Zella Reynolds Sibley
