Dear Mr. Carter

I just learned from some friends of mine that Amos Jr. has been reported missing in action in Africa.

Knowing how tenderly fond of him you are I can never hope to say anything to make you feel better about that news at the moment but I do want you to know how awfully sorry I am to hear of this.

I know it sounds pretty fatuous right now to say this but it is a fact that about every three men reported "missing" turn up. Let us all hope that in Amos Jr. case the average is for -

As ever - sincerely

Jimmie Stewart
