

Dear Amou:-

I just heard the news of Little Amou reported missing. There is no one wishing & hoping he will return to you more than I.

Gene has been in the service three years now & is in the South Pacific at present, a second Lieutenant with the 251st C.A. - so you

Know my heart is with
these boys - I think what
five sons we have -
I see much to make
us proud - wouldnt
Daddy be proud of
Gene?

I am working at
Countryside, love
it - its all the red
cross work I care +
keep busy most the
twenty four hours -
I want little time to think

I just had to write you
to tell you I'm really +
praying Anne will come
home to you - I know your
heart is heavy now -
But it's grand to have
such fine sons - Isnt it?

As always -

Mona Clark Townsend
