Mr. Amon G. Carter
The Fort Worth Star-Telegram
Fort Worth, Texas

Dear Mr. Carter:

A few days ago, when I learned you had received a wire from Washington that Amon, Jr., was missing in action my first impulse was to write or wire you. Then I thought I would wait until the first terrible uncertainty had passed and I could join you in the fervent hope that, at worst, your son was a prisoner of war.

With each passing day my hope grows - as I am sure yours does - that it is no more than that, and that at the end of the war he will resume a normal life at home with you.

I believe I know somewhat how you must feel because my only son, an eighteen-year-old, has enlisted and reports for duty on April 12th.

In any event, Mrs. Campbell and I want you to know that our sympathy goes out in full to you in these trying days.

Sincerely and respectfully,

C:B
