Dearest Amon,

Electra told me about your son being missing, and I know your anxiety is so terribly great, but I'm sure someone as loved as he and as fine as everyone
says he is, is safe somewhere and your fears for him will be lifted.

I know how devoted you are to him, and I pray you will hear soon to relieve your mind and heart. In the meantime, know that I am thinking of you, and all your friends everywhere are holding a prayer in their hearts for you.

Enjoyed having Electric with us so much wish you could've paid us a visit—we all talked of you, Danny and I especially remembering the fun we had being with you.
in New York. Hope we can have a return engagement.

Much love to you, and do let us know if you ever come down this way.

Devotedly,

Josephine
