SAINT LOUIS

Dear Anon.

I am sorry that I did
not know of your boy until
I recently had a letter from
Jim Darley.

My heart goes out to you in
affectionate sympathy and I
am earnestly hoping that by
now you have received some
definite news. The suspense
must have been unbearable,
but I feel sure that there must

be a chance, at least that he is
safe.

I have no children of my
own but I have two nephews
in North Africa, one a Lieutenant
Colonel - the other a private.

Naturally I am apprehensive
and constantly in dread of
tragic news.

Please find time to let me
know if you hear anything,
as I am very fond of you
and feel deeply concerned

Sincerely your friend

Sam Dodge
