

Nixon, Texas  
April 2, 1943

Dear Mr Carter,

I was so sorry to hear that your son is missing in action. You have probably heard by this time he is a prisoner, as so many of the officers in the 1st A. R. were captured. Fred came through the first battle safely.

I want to thank you for your kindness to Fred in England, and your thoughtfulness in sending me his message.

Sincerely,  
Mrs Fred Dodson Jr.
