

Maybe he will skip  
quietly into camp some  
night, having checked  
the sun and worked  
his way back. I cannot  
by pray that he will  
and comfortable with  
ever he is and that  
he will return to again

Dear Mr. Carter,  
I regret  
deeply that Amond  
Junior has been re-  
ported missing in  
action but sincerely  
hope he is safe and  
unhurt somewhere.

be a joy to you right  
over here at home.

Why such a precious  
boy should have to  
suffer in this war is  
more than I can  
understand but God  
knows all things and  
has a plan for every  
life. May He give you  
strength to carry on  
until your son comes  
back.

You are ever in the  
minds and hearts of  
your friends and with  
such a legion of good  
wishes everything is  
bound to come out all  
right.

Sincerely,  
Marie Tipton
