Mr. Amon G. Carter
Fort Worth Star-Telegram
Fort Worth, Texas

Dear Amon:

I have expected to see you ever since I have been out of the hospital, but the unfortunate news about your son placed me in a rather peculiar situation.

I was very sorry to hear about him and certainly hope and pray that he will show up among the prisoners.

The posies and the letter which you sent me were certainly appreciated by me and certainly did alleviate the discomfort. I have always admired Azaleas, especially a white one, which is very rare in this part of the country. The letter was very clever and it practically did as much good as the flowers.

Thanks very much for your thoughtfulness in thinking of me.

Sincerely yours

Otto Monning
