St. Louis Mo.

Dear Mr Carter,

Yesterday I received your letter, and two letters from Donald dated Mar. 7-10.

I was very sorry to hear, you had no further information about your son.

I wrote Donald and ask him if he could tell us anything and when he answers I will let you know.

I dont know if this would be of any information to you or not, but in his letter he said his Colonel

came back to the  
states, and that he  
was going to write to  
the officers family.

I dont know his  
name, but when he  
writes, I will send  
you his name and  
address, then maybe  
you could get in  
touch with him, and  
perhaps he could tell  
you something of your  
son.

I hope you have  
news soon

I remain

Sincerely

Mrs J Delaney
