Dear Amon:

Have just returned from a three weeks vacation and find clippings indicating that your son is reported missing in Africa.

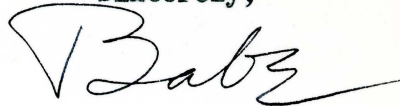

I cannot tell you how distressed I am at this news. Since he is "missing" there is still a vestige of hope that he may be a prisoner. I feel that he will come out o.k. as did Dev's son who was lost and turned up a prisoner weeks afterward.

Won't you drop me a note and let me know if you have had any further word.

Sometime, I would like to hear about your trip to England.

My kindest regards.

Sincerely,

Merrill C. Meigs
